

The Classroom MINI-ECONOMY

*for Elementary
and Middle School Teachers*

The Mini Economy program for K-8 teachers has all the tools and resources you need to create a fully functioning economy inside your classroom. At the end of this simulation, your students will have a hands-on understanding of how our economy works!

Your students will earn play money to save, invest and spend in a class store that is created and managed by your students!

*Set up a fully functioning
